

Preparing For a Big Test is Like Learning a New Video Game!

1. **Learn the controls** - Let's figure out how to move through the game...just like the test!

2. **Level up each quest(ion)**

- What is the questions asking you to do?
- Circle or underline any key words

3. **Learn from the pros!**

- Read all the answer choices
- Eliminate any obvious wrong answers
- Use your prior knowledge to help get to the right answer
